- 2.0 Approval of Minutes – March 17, 2015**
ACTION REQUESTED: Approval
- 3.0 Agenda Changes and Announcements**
- 4.0 CMAQ Program Development**
Staff will provide the initial project scoring for the proposed projects in the FFY 2016 – 2020 CMAQ program, available at <http://www.cmap.illinois.gov/mobility/strategic-investment/cmaq/program-development>. RTOC is tasked with reviewing and providing input on the proposed highway projects.
ACTION REQUESTED: Information & Discussion
- 5.0 RTOC Role in Next Long-Range Plan Development**
As CMAP begins development of the next long-range plan, RTOC should consider its role in the process. Staff proposes (<http://tinyurl.com/mbfqnyc>) that RTOC aid in the development of a strategy paper on highway operations and in refining the process to measure the performance of highways in the region previously discussed at the March 2015 RTOC meeting. Staff will also review the CMAP Draft FY 2016 Work Plan with a focus on the transportation operations-related projects for feedback from the committee. The Draft CMAP FY 2016 Work Plan can be found at: <http://tinyurl.com/mua7myz>.
ACTION REQUESTED: Information & Discussion
- 6.0 Expressway Crash Scans**
As part of the agency's continued effort in performance monitoring, staff created crash scans for the region's expressways. Crash scans illustrates the total crashes per 100 million VMT by milepost for sections of the expressway system in the CMAP planning region. Crash scans are available on the CMAP website alongside the congestion scans at <http://www.cmap.illinois.gov/mobility/roads/cmp/performance-measurement/scans>.
