Mayor Schielke,

The North Central Council of Mayors requests that the Council of Mayors Executive Committee approve our request for advance funding in the amount of \$3,448,015 in federal Surface Transportation Program (STP) dollars for the Villages of Berkeley, Oak Park, and River Forest. The project details are listed below:

Project	Letting	Federal Amount
Berkeley – McDermott Drive – 04-11-0004	March 2016	267,165
Oak Park – Chicago Avenue – 04-15-0003	April 2016	2,008,600
River Forest – Division Street – 04-14-0007	April 2016	1,100,320
Harwood Heights – SRTS – 04-15-0009	March 2016	71,930
	TOTAL	3,448,015

The Berkeley project is additional advanced funding due to a switch in pavement types as well as the need for additional drainage. Chicago Avenue in Oak Park is a substantially traveled roadway and thoroughfare throughout the region as is Division Street in River Forest.

The total request is for \$3,448,015

If you have any questions please contact me at 708-453-9100 Ext. 241

Sincerely,

Leonard B. Cannata

Dear Mayor Schielke:

The McHenry County Council of Mayors respectfully requests that the Council of Mayors Executive Committee approve our updated request for advance funding in the total amount of **\$2,780,000** in federal Surface Transportation Program (STP) dollars for FFY 2016 at your January 12, 2016, meeting.

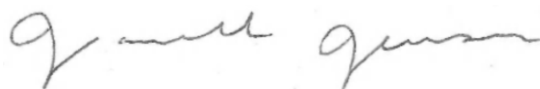

The request is for the following projects:

1. Highland Avenue project in the Village of Algonquin. The roadway resurfacing project is scheduled for the March 4, 2016, letting and requests \$1,500,000 in federal STP dollars.
2. Bull Valley Road project in the City of McHenry. The roadway widening, signalized intersection and resurfacing project is scheduled for the April 22, 2016, letting and requests \$1,280,000 in federal STP dollars.

CMAP has indicated there is programmable STP dollars that the region needs to spend down. We look forward to moving this project along to the March and April lettings.

If you have any questions or need any additional information please contact me at 815-334-4642. Thank you very much for your consideration.

Sincerely,

Janell Jensen
Planning Liaison
