- 4.0 ON TO 2050 update**
- 5.0 ON TO 2050: Infill and TOD snapshot update**
As part of the next plan process, CMAP is preparing an Infill and TOD Snapshot that will provide an overview of existing conditions and trends since 2000 in infill and transit-oriented development in the region. CMAP staff will present findings, including an evaluation of progress towards development targets established in the 2014 update of GO TO 2040, and an examination of additional indicators of infill throughout the region, as well as in transit-served areas.
ACTION REQUESTED: Discussion
- 6.0 ON TO 2050: Housing supply and affordability strategy paper**
As part of the next plan process, the Housing Committee will be providing CMAP staff with critical feedback during the development of a strategy paper on housing supply and affordability. This is the sixth in a series of discussions about the strategy paper. A representative from the DePaul Institute for Housing Studies will present on the identification of housing submarkets in the region and the committee will discuss possible applications of this work in ON TO 2050.
