MEMORANDUM

To: Economic Development Committee
From: CMAP Staff
Date: March 21, 2016
Re: April Site visit to O'Hare International Airport

On **April 25, 2016 from 10:00am to 12:00pm**, CMAP Economic Development and Freight committee members will have the opportunity to visit O'Hare International Airport to tour its forthcoming cargo facility development and some adjacent Illinois Tollway infrastructure investments. The site visit will include presentations and a bus tour with guides from the Chicago Department of Aviation (CDA) and the Tollway and a discussion about the implications of these investments for regional freight movement and economic development.

Registration: Members of the committees wishing to attend must **RSVP by Friday, April 16 at 5:00pm**. Because the tour will include secure areas of O'Hare, attendees will have to pass security clearance prior to the visit. O'Hare police will process the identification information in advance of our visit so late entries will not be accepted. CDA staff requested CMAP collect the following security clearance information:

Name of Organization	
Phone Number	
Last Name	
First Name	
Middle Name	
Birth Date (MM/DD/YEAR)	
Gender	
Driver's License Number	
State Issued	

To participate, reply to Simone Weil, sweil@cmap.illinois.gov, by **Friday, April 16 at 5:00pm**.

Logistics: CMAP will provide information on logistics once you have registered.

ACTION REQUESTED: RSVP
