- 4.0 **ON TO 2050: Place-based approach: universe of layers** – Kristin Ihnchak, CMAP
Following up on previous Committee conversations about the layers approach, staff have drafted a “universe” of potential layers, which would use maps, data, and contextual information to provide more specific, sub-regional guidance in ON TO 2050 for key policy areas. Kristin will provide an overview of and solicit feedback on the initial list of layers presented for the Committee’s consideration.

- 6.0 **ON TO 2050: Freight-related land use memo** – Jacki Murdock, CMAP
Staff will present on various land use issues, including the locations of freight-related land uses, recent development trends, and local land-use conflicts.
ACTION REQUESTED: *Information and discussion*
- 7.0 **ON TO 2050: Commute patterns policy update** – Kara Komp, CMAP
A new CMAP Policy Update looks at trends in commute time among the region’s freight and manufacturing workers. Over the last decade, regional commute time

trends have been steady despite shifts in where manufacturing and freight workers live and work. As freight and manufacturing employment locations have shifted outward from their traditional base within Cook County, the workforce has followed similar patterns. Kara will discuss these and other findings.
