

SMALL PLANS, BIG IDEAS FORUM SERIES

**HOW ON TO 2050 CAN MAKE A
DIFFERENCE IN YOUR COMMUNITY**

FIVE SUBURBAN EVENTS, ONE CHICAGO SYMPOSIUM

SMALL PLANS, BIG IDEAS FORUMS

Join the Chicago Metropolitan Agency for Planning (CMAP) for a series of events that will connect local leaders and provide expert advice about how ON TO 2050 — the region's new comprehensive plan — can make a difference in your community.

Each event will help you make meaningful connections with other communities and collaborate on some of our region's toughest issues. A resource fair with opportunities and educational materials from CMAP's local and regional partners will also be available at each event.

The Small Plans, Big Ideas event series will coincide with the 2019 joint call for projects for the CMAP Local Technical Assistance (LTA) and Regional Transportation Authority (RTA) Community Planning programs.
