

CMAQ Project Selection Committee
Friday, November 3, 2000
10:00 AM

Cunningham-Williams Conference Room
300 West Adams St., 2nd Floor
Chicago, Illinois

Agenda

I. FY 2001 Proposed Program – Public Comment

Comments received to date are enclosed in members' packets. Additional comments are expected by the end of the comment period on October 30; these comments will be faxed to members. Agencies and individuals that have chosen to comment may present their comments for committee consideration. The committee will be asked to consider the comments.

II. FY 2001 Proposed Program – Recommendation to the Work Program Committee. Based upon consideration of public comments, some modifications to the CMAQ program are possible. The committee will be asked to recommend a proposed program to the Work Program for their review.

III. Annual Project Follow-up

Staff will soon begin the annual follow-up of programmed projects. A brief discussion of the process will take place. Staff will also discuss deadlines for some ISTEA projects to be completed.

IV. Other Business

V. Next Meeting
