

CMAQ Project Selection Committee
August 9, 1996
10:00 AM

CATS Conference Room
300 West Adams, 2nd Floor

Agenda

I. Status of unobligated projects

All sponsors of unobligated projects have been contacted or are Committee members. The list of unobligated projects will be presented and the Committee will be asked whether any further actions should be taken on these projects.

II. Status of demonstration projects

Staff will provide a status report on the demo projects.

III. Fiscal guidelines

Proposed fiscal guidelines for the FY 97 CMAQ program will be presented.

IV. Categorization of project proposals/outstanding questions

CATS staff will review the categorization of proposals with the Committee and ask for direction on the appropriateness of the categorization. In addition, staff will ask for direction on outstanding questions. Issues include the treatment of proposals for which inadequate data has been submitted and proposals for categories that have not been addressed by the Committee.

V. Factors used in bike/ped methodology

Direction will be sought on how the bike/ped methodology is to be utilized.

VI. Other business

VII. Meeting schedule

A meeting schedule for the selection of the FY 97 projects will be discussed.
