Re: Nomination – MPO Policy Committee Vice Chair

As is stated in the MPO Policy Committee By-Laws the nominating committee, appointed by the Chairman of the MPO Policy Committee each June, shall nominate a Vice Chairman to be elected at the October meeting. The committee nominates Leanne Redden, Executive Director of the Regional Transportation Authority, for this position. Her experience as a transportation leader and collaborative partner in this region will be an asset to the MPO Policy Committee. The nominating committee believes her current and previous experience throughout the transportation spectrum will provide incisive and focused leadership in the role of vice chair.
