Annotated Agenda
October 19, 2016 - 9:00 a.m.
DuPage County Conference Room
233 S. Wacker Drive, Suite 800
Chicago, Illinois

- 1.0 **Call to Order/Introductions** **9:00 a.m.**
- 2.0 **Agenda Changes and Announcements**
- 3.0 **Approval of Minutes — September 21, 2016**
ACTION REQUESTED: *Approval*
- 4.0 **ON TO 2050: Reinvestment and infill strategy areas** – Tony Manno, CMAP
GO TO 2040 broadly recommended that communities direct reinvestment and growth to existing communities and, specifically, transit station areas. Building on CMAP and partner work since GO TO 2040, the Reinvestment and Infill strategy paper offers refinements to CMAP’s existing recommendations for reinvestment. Staff will present the proposed new strategies to encourage reinvestment and target efforts and limited resources.
ACTION REQUESTED: *Information and discussion*
- 5.0 **ON TO 2050: Infill and TOD snapshot** – Evy Zwiebach, CMAP
As part of next plan development, staff is preparing an Infill and TOD Snapshot, which will provide an overview of existing conditions and trends in infill and TOD in the region, focusing on development since 2000. Staff will present updated findings, including analysis of regional infill supportiveness in 2000, and analysis of indicators of development (such as changes in employment, housing units, and population) throughout the region, and specifically in transit-served areas.
ACTION REQUESTED: *Information and discussion*
- 6.0 **ON TO 2050: Urban classifications** – David Clark, CMAP
As part of the 2050 forecast local area allocation process described last month, staff are in the process of developing an “urban classification” scheme based on existing household and employment densities. These classifications are a necessary input to the local area allocation tool under development by staff and consultants, and will inform density and redevelopment assumptions at a local level. Staff will describe and solicit feedback on the proposed classifications.

ACTION REQUESTED: *Information and discussion*

7.0 **ON TO 2050: Alternative futures** – Liz Oo, CMAP

Alternative Futures will help stakeholders prioritize land use, economic, and transportation policies for the region. Staff and external experts have discussed trends that have the potential to meaningfully shape the future of the Chicago region. Based on feedback, CMAP staff has identified five possible futures for the region’s residents in 2050. Staff will provide an overview of the development and characteristics of these potential futures.

ACTION REQUESTED: *Information and discussion*

8.0 **Other Business**

9.0 **Public Comment**

This is an opportunity for comments from members of the audience. The amount of time available to speak will be at the chair’s discretion. It should be noted that the exact time for the public comment period will immediately follow the last item on the agenda.
