

Tier 2 Consultation Meeting

March 1, 2005

10:30 AM

CATS Southeastern (Sun) Conference Room

Agenda

1. Approval of the January 13, 2005 meeting summary
Consultation team approval will be sought.
2. RTP Update
The schedule for the 2030 RTP updates relies on concurrent review and expedited approval. The schedule call for Policy Committee consideration on October 12, 2006 and our deadline for federal approval is October 20, 2006. Consultation team agreement on this approach is sought.
3. 8-hour Conformity
One comment was received on the 8-hour conformity. The comment is attached and consultation input will be sought.
4. TIP update
It is anticipated that the conformity -neutral FY 2005-2009 TIP will be considered for approval at the June Policy Committee meeting. The Conformity Analysis Supplement document is attached. The schedule for the subsequent TIP will be discussed.
5. PM 2.5 Standard
An update on guidance and timing for conformity of the RTP and TIP to the PM 2.5 standard will be given.
6. 2000 Census
Discussion on the status of the action items related to the Metropolitan Planning Area boundary and agreement with SEWRPC will be held.
7. Certification
The check list to be used for the June 2005 certification review and the actions to date on the 2002 certification report will be reviewed.
8. Other Business
9. Next Meeting
