

Tier 2 Consultation Meeting

Friday, April 12, 2002

11:00 AM

CATS Southeastern (Sun) Conference Room

Agenda

1. Approval of October 18, 2001 and February 13, 2002 meeting summaries

The draft meeting summaries are attached for review.

2. Dan Ryan Project

The Dan Ryan project level conformity analysis is complete. As anticipated, the runs with the reconstructed Dan Ryan are all below budget amounts for both VOC and NO_x. Dean Englund's March 25 memo to file is attached for review.

3. Eight hour standard

The status of the eight-hour standard will be discussed.

4. Attainment status

The time frame for petitioning for re-designation will be discussed.

5. Other Business

6. Next Meeting

It is hoped that a meeting to address RTP issues can be scheduled for the morning of April 23, 24, 25 or 26. The WPC is scheduled to meet on April 26 and an 8:30 AM meeting on that date has been suggested.
