

Tier 2 Consultation Meeting

Thursday, October 18, 2001

10:00 AM

CATS Southeastern (Sun) Conference Room

Agenda

1. Approval of August 9, 2001 meeting summaries.

The draft meeting summary is attached for review.

2. FY 02 CMAQ program, FY 02-06 TIP, and supplemental conformity.

The proposed CMAQ program, proposed TIP, and supplemental conformity have been released for public comment and transmitted to the IEPA, USEPA and USDOT for concurrent review.

Further discussions on the eligibility of station improvement projects for CMAQ funding and addressing environmental justice in the TIP document will occur.

3. Attainment status

The possibility and implications of petitioning to be declared in attainment will be addressed.

4. Other Business

5. Next Meeting
