

Tier 2 Consultation Meeting

Thursday, August 9, 2001

10:00 AM

CATS Southeastern (Sun) Conference Room

Agenda

1. Approval of November 3, 2000 and January 31, 2001 meeting summaries.
The draft meeting summaries are attached for review.
2. FY 02 CMAQ program, FY 02-06 TIP, and supplemental conformity.
The proposed CMAQ program, proposed TIP, and supplemental conformity will be released for public comment on September 28. Review by the IEPA, USEPA and USDOT has been taking place concurrently with the development of the programs and the conformity supplement and will be further discussed under this agenda item. Issues discussed have included the eligibility of specific CMAQ proposals, public outreach efforts, planning assumptions, and addressing environmental justice in the TIP document.
3. Development of the 2030 RTP
The proposed development schedule for the 2030 RTP will be reviewed.
4. Status of MOBILE6
IEPA and USEPA will report on the anticipated time frame for the release of MOBILE6 and issues surrounding the budgets and MOBILE6 will be addressed.
5. Other Business
6. Next Meeting
