- 4.0 **Regional Freight: (1) Freight Facility Development Principles, and (2) Subregional Clusters/ Freight as a Local Economic Development Tool**– Alex Beata, CMAP
Staff will brief the committee on the development of the Regional Strategic Freight Direction, CMAP’s near-term freight policy agenda. Items include the development of principles to guide major freight facility developments and research into subregional freight-supportive land use clusters.
ACTION REQUESTED: *Information and discussion*
- 5.0 **ON TO 2050: Alternative Futures: Constrained Resources (draft memo)** – Alex Beata and Liz Oo, CMAP
Through the ON TO 2050 Alternative Futures process, CMAP staff is assessing broad, macro-level trends that could affect the region by 2050, as well as identifying strategies to prepare for these potential futures. Staff will present the “Constrained Resources” future, in which fewer federal and state financial resources are available to the region for key CMAP focus areas like transportation, community development, and natural resources. Staff requests feedback on potential impacts and strategies.
ACTION REQUESTED: *Information and discussion*
- 6.0 **Expressway Vision** – Thomas Murtha, CMAP
Staff will introduce a project to develop a multi-jurisdictional vision to guide future capital investments, coordinate transportation operations, and recommend policy and management strategies for the existing expressway system in northeastern Illinois. Transit, freight, community impacts, and revenue will all be key aspects of the vision. Staff will review draft vision goal statements and seek committee feedback.

ACTION REQUESTED: *Information and discussion*

- 7.0 **ON TO 2050: Placemaking Scope** – Noah Boggess and Ricardo Lopez, CMAP
CMAP staff are currently working on a Placemaking snapshot to inform ON TO 2050. This work includes an advisory group, which will be consulted regularly to develop the report. The project is in its initial phase; currently the project team is collecting case studies from the region and refining a working definition of placemaking. Staff will present an overview of the work scope along with a discussion on how the Land Use Committee can contribute to this effort.

ACTION REQUESTED: *Information and discussion*
