Application form:
RTA Community Planning Program and
CMAP Local Technical Assistance Program

DEADLINE: Noon on Thursday, June 29, 2017

This application form is online at www.rtachicago.org/applications. You may submit the form by email to applications@rtachicago.org.
Upon receipt of application, you will receive an e-mail verifying that your application has been received.

1. Name of Applicant

Village of Maywood

2. Main Contact for Application

Name: Joshua Koonce
Title: Planner
Phone number: 708-450-4411
Email: jkoonce@maywood-il.org

3. Type of Applicant (please check any that apply)

___X___ Local government

_____ Multijurisdictional group*  Please list the members of the group (including government and nongovernmental organizations):

________________________________________
________________________________________
________________________________________

_____ Nongovernmental organization*  Name of local government partner(s):

________________________________________
________________________________________
________________________________________

*Applications submitted by multijurisdictional groups and nongovernmental organizations must include a letter indicating support from each relevant local government. See the FAQs for more information.
Nongovernmental applicants are strongly encouraged to contact CMAP or the RTA prior to submitting their application to discuss their project and the demonstration of local support.

4. Project Type (please check any that apply)

Please check all statements below that describe characteristics of your project.

_____ My project involves preparation of a plan.

__X__ My project involves updating an already existing plan.

__X__ My project helps to implement a past plan.

_____ My project links land use, transportation, and housing.

_____ My project has direct relevance to public transit and supports the use of the existing transit system.

_____ My project is not directly related to transportation or land use, but implements GO TO 2040 in other ways.

5. Local Match Requirement (please initial to indicate you are aware of the local match requirements)

I am aware that a local match will be required for most projects, and understand that if my project is selected it is up to the project applicant to contribute a local match. (See the program guide for further details on local match requirements.)

__X__ Yes, I understand that applicants will be required to contribute a local match.

6. Project Location

The Village of Maywood Zoning Ordinance is relevant to all of Maywood.

7. Project Description

At the CMAP 2017 Technical Assistance Symposium, Village of Maywood Community Development staff had the opportunity to attend a breakout panel session titled “Updating Zoning and Subdivision Ordinances.” While the Village of Maywood has a functional and fairly recent zoning ordinance (adopted in 2010, regularly updated), it was the Sketchup diagrams developed for the City of Berwyn that interested us.

Maywood is similar in many ways to Berwyn – especially in lot sizes and housing stock. There are questions that come up on a regular basis when a resident or developer comes in with a proposal, and access to similar or modifiable diagrams would be extremely helpful for community development staff.

The proposal is that CMAP provide the Maywood Department of Community Development with access to drawings and Sketchup models to use as supplements to the existing Village of Maywood Zoning Ordinance. This would be a library of sorts – allowing Maywood to access and modify (via Sketchup) and use the models, either in an official capacity as an adopted part of the zoning ordinance, or simply as handouts illustrating the ordinance for residents and developers.

8. Previous Plan Implementation Efforts

The Village of Maywood Zoning Ordinance was adopted in April, 2010.
9. Additional Strategic Partnerships

The primary partnership would be between the Village of Maywood Community Development Department and CMAP for sharing of the zoning diagrams and resources. The Village of Maywood Plan Commission would also review proposal.
