RE: CMAQ Proposed Programs – Letter of Support for Pace’s Pulse Dempster Line

Dear Mr. Ferguson,

As a representative of part of the area that the Pulse Dempster Line serves, I support CMAP’s proposed award of CMAQ funding to Pace Suburban Bus for the advancement of their Pulse Dempster Line project (CMAP Project ID T117184310).

The Pulse Dempster Line will provide fast, frequent, and reliable bus service using the latest technology and streamlined route design, resulting in increased transit ridership and improvements to service reliability. The Dempster corridor is an ideal location for a limited-stop, express service because it is a heavily traveled corridor with connections to major regional destinations.

I strongly support the Pulse Dempster Line and look forward to continuing to work with Pace on the planning and implementation of this important transit improvement.

Sincerely,

A handwritten signature in black ink that reads "Robyn Gabel".
