Major Tasks Underway

- Drafting ON TO 2050
- Kick-starting post-plan implementation
- Incorporating 2050 into CMAP's work and work plan
- Stakeholder meetings (*as requested*)
- Planning for engagement:
 - Stakeholders
 - The general public
 - The launch event

ON TO 2050 will be built for the web

- Reflects the way that people access information today
- Structure is concise, repeats some information throughout, and is not linear
- More about the web format this spring
- Printed versions will be available

- Introduction
- State of the region/the three principles
- Engagement
- Topical Chapters
 - Land use
 - Environment
 - Economy
 - Governance
 - Mobility
- Technical and process appendices

2050 Draft Plan Committee Process

- Each committee will discuss at least two topical draft chapters at committee meetings
- Planning Committee will see all chapters
- The CMAP Board will discuss the major recommendations of all chapters

2050 Draft Review Timeline

- **February-March:** Distribute **draft plan sections** to committee members and interested stakeholders
- **April:** Discuss the **proposed RSP list** at Transportation Committee. Begin broad stakeholder engagement (through summer).
- **June 15th-August 14th:** Public comment and engagement
- **August-September:** Revise draft per comment
- **October 10th:** the Board and MPO **approve ON TO 2050**

2050 Written Comment Process

- **February-March:** Distribute **draft plan sections** to committee members and interested stakeholders
 - Stakeholders will have up to three weeks to provide written feedback on each section
 - Staff will follow up with edits and responses
