6:00 to 8:00 p.m.**

**Redeemer Church
6740 W. North Ave.
Chicago, IL 60707**

What should the North Avenue corridor look like?

How can transportation options on North Avenue be improved to promote quality of life for residents and success for businesses?

With the sponsorship and support of Alderman Chris Taliaferro from the 29th Ward and Mayor Anan Abu-Taleb from the Village of Oak Park, The North Avenue District is partnering with the Chicago Metropolitan Agency for Planning (CMAP) to develop a plan for the North Avenue corridor from Austin Avenue to Harlem Avenue. The Plan will help guide development and decision making along the North Avenue corridor for years to come.

Please join us on **Thursday, November 15**, for a public visioning workshop to help determine how the North Avenue corridor should look in the future. Attendees will also have the opportunity to learn more and provide feedback about the Chicago-Oak Park Traffic Safety and Mobility Study on North Avenue. The workshop is a great opportunity to share your vision and discuss the future of the area with your family, neighbors, and friends.

RSVP to Cindy Cambray at ccambray@cmap.illinois.gov or **312-386-8748**. To learn more, visit the project webpage at <http://www.cmap.is/northave>.
