RSPs

CMAP

Chapters

Overarching changes

Highlight opportunities to plan for residents with disabilities

Emphasize the historic roots of today's racial inequities

Better connect recommendations and indicators

Offer more local examples, particularly for smaller transportation projects

© CMAP June 2018

CMAP

Community

Adapted housing recommendations to include planning for residents with disabilities

Reoriented tax policy recommendation to focus on modernization

© CMAP June 2018

 CMAP

Prosperity

Adjustments throughout to emphasize disability and inclusive growth

Clarified the relationship between state, regional, and local economic development efforts

© CMAP June 2018

 CMAP

Environment

Numerous comments in support of planning for environmental issues highlighted in the plan

No major changes

© CMAP June 2018

 CMAP

Governance

Commenters supportive of partnerships and capacity building, with questions

Reoriented tax policy recommendation to focus on modernization

© CMAP June 2018

 CMAP

Mobility

Clarify goals and intent for VMT recommendation

Highlight multimodal projects, smaller projects

Retain proposed fiscally constrained RSP list, with small wording changes

Complete many small changes per feedback

Reminder :
The plan will be available on the web

Next steps

Present revised draft to Planning Committee and CMAP Board

Revise per final comment

Draft for approval at the September 28th Transportation Committee

Planning and Programming discuss on October 3rd

CMAP Board and MPO discuss on October 10th
