- 6.0 Cook County Freight Plan**
Over the past two years, Cook County has developed the Cook County Freight Plan, a key recommendation of the county's Long Range Transportation Plan. The plan includes recommended actions in the areas of leadership; truck routing, infrastructure, permitting, and parking; rail improvements; and coordinated community and economic development. Cook County staff will provide an overview of the plan and its recommendations.
ACTION REQUESTED: Discussion

7.0 Rail Inventory Update

CMAP is working to update maps showing the number of freight trains per day operating in the region. (Maps for the **region** and the **Chicago Terminal area** were last updated in 2012.) Staff will discuss the data compilation process and preliminary results.

ACTION REQUESTED: Discussion

8.0 Freight Funding Update

In June, a number of projects in the region were awarded federal funds from the new freight programs established in the FAST Act. Staff will provide an overview of regional projects selected through the Illinois Competitive Freight Program, as well as the 75th St. Corridor Improvement Project which was awarded an INFRA grant. Feedback regarding these programs will be requested.
