□

On behalf of The North Avenue District, thanks to Steve Schering and Oak Leaves for your interest in efforts to revitalize North Avenue from Austin to Harlem. In particular, we appreciate your most recent [article](#) – “Feedback sought on North Avenue” – on the resident survey for the revitalization plan being developed by CMAP (Chicago Metropolitan Agency for Planning).

Your readers are strongly encouraged to take the online residents survey (<https://northavenue.metroquest.com> or www.oak-park.us/northavenuesurvey) if they live near or make use of North Avenue (Austin to Harlem). As stated in the article, the more people we hear from, the better the plan will be.

The survey will close on Aug. 31, so please don't delay.
