RE: CMAP Local Technical Assistance Program - Village of Algonquin Parks and Recreation Comprehensive Master Plan

To Whom It May Concern:

I am pleased to write this letter of support for the Village of Algonquin's application for the CMAP Local Technical Assistance Program, funding for a parks and recreation comprehensive master plan. This plan will focus on the development of parks and recreation services including potential partnerships with other public agencies, like our school district, to continue to offer a wide variety of services to the area community.

Huntley Community School District 158 is appreciative of the opportunity to work with the Village of Algonquin to enhance the area's active and passive recreational opportunities. This program would be very beneficial in assisting this effort. The planning effort will help to develop a comprehensive master plan for parks and recreation which will help Algonquin better serve its entire population, including the western portion of the community that is served by our school district.

If you have any questions regarding this matter, please contact me at (847) 659-6103 or via email at superintendent@district158.org

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Rowe', is written over a horizontal line.

Dr. Scott Rowe
