Chicago Metropolitan Agency for Planning (CMAP) Board
Annotated Agenda
Wednesday, November 14, 2018

Cook County Conference Room
233 S. Wacker Drive, Suite 800
Chicago, Illinois

1.0 Call to Order and Introductions 9:30 a.m.

2.0 Agenda Changes and Announcements

3.0 Approval of Minutes—October 10, 2018
ACTION REQUESTED: Approval

4.0 Executive Director’s Report
4.1 Local Technical Assistance (LTA) Update
4.2 2019 Meeting Schedule
4.3 Other Announcements

5.0 Procurements and Contract Approvals
5.1 Village of Calumet Park Comprehensive Plan
5.2 Market Analysis and Development Advisory Services
5.3 Village of Summit Zoning Ordinance Update
ACTION REQUESTED: Approval

6.0 Committee Reports
A written summary of the working committees and the Council of Mayors Executive Committee will be distributed.
ACTION REQUESTED: Information

7.0 CMAP Committee Structure
With the adoption of ON TO 2050, CMAP will be identifying structural and procedural opportunities at the committee level to help facilitate implementation of the plan. CMAP staff will provide information on the background and activities conducted so far as part of this review process.
ACTION REQUESTED: Approval
8.0 ON TO 2050 Website Demonstration
Staff will provide a demonstration of the ON TO 2050 website features and information.
ACTION REQUESTED: Information

9.0 State Legislative Update
The first week of Veto Session will take place from November 13 through 15, with a second week scheduled for November 27 through 29. Staff will update the Board on relevant legislative activities related to our 2018 State Legislative Framework and Agenda.
ACTION REQUESTED: Information

9.0 Other Business

10.0 Next Meeting
The Board will likely not meet in December, rather will meet next January 9, 2019.

11.0 Public Comment
This is an opportunity for comments from members of the audience. The amount of time available to speak will be at the chair’s discretion. It should be noted that the exact time for the public comment period will immediately follow the last item on the agenda.

12.0 Executive Session
The Board will adjourn to an executive session pursuant to 5 ILCS 120/2(c)(5).

13.0 Adjournment

Chicago Metropolitan Agency for Planning Board Members:

---

Gerald Bennett, Chair
Rita Athas
Frank Beal
Matt Brolley
Franco Coladipietro
Janel Forde
Al Larson
Andrew Madigan
John Noak

Joint Meeting
Chicago Metropolitan Agency for Planning (CMAP)
and MPO Policy Committee
DRAFT Minutes
October 10, 2018

Offices of the Chicago Metropolitan Agency for Planning (CMAP)
Cook County Conference Room
Suite 800, 233 S. Wacker Drive, Chicago, Illinois

Board and MPO Policy Committee Members Present:
Gerald Bennett, CMAP Board Chair-representing southwest Cook County, Randy Blankenhorn, MPO Policy Committee Chair, Rita Athas-representing the City of Chicago, Frank Beal-representing the City of Chicago, Matt Brolley-representing Kane and Kendall Counties, Franco Coladipietro-representing DuPage County, Michael Connelly-representing the CTA, Jim Derwinski-representing Metra, Janel Forde-representing the City of Chicago, Liz Gorman-representing Illinois State Toll Highway Authority, Scott Hennings and Chairman Jack Franks)-representing McHenry County, Scott Koeppel-representing Kendall County, Richard Kwasneski-representing PACE, Al Larson-representing northwest Cook County, Chris Lauzen-representing Kane County, Andrew Madigan-representing the City of Chicago, John Noak-representing Will County, Martin Oberman-representing the City of Chicago, Leanne Redden-representing the RTA and a non-voting member of the CMAP Board, Rick Reinbold-representing south suburban Cook County, Rebekah Scheinfeld-representing CDOT, Jeffery Schielke-representing the Council of Mayors, Carolyn Schofield-representing McHenry County, Shane Schneider-representing Lake County, Chris Snyder-representing DuPage County, Lawrence Walsh-representing Will County, Matthew Walsh-representing west Cook County, Terry Weppler-representing Lake County, Diane Williams-representing Cook County, John Yonan-representing Cook County, non-voting Policy Committee member Catherine (Kay) Batey-representing FHWA, and non-voting Policy Committee member Erik Varela-representing Class I Railroads.

Staff Present:
Joe Szabo, Melissa Porter, Angela Manning-Hardimon, Tom Garritano, Stephane Phifer, Jesse Elam, Liz Schuh, and Sherry Kane

Others Present:
Peter Austin-McHenry County, Elaine Bottomley-WCGL, Kevin Carrier-Lake County, Lynette Ciavarella-Metra, Jack Cruikshank-WCGL, John Donovan-FHWA, Jackie Forbes-Kane/Kendall Council,

1.0 Call to Order and Introductions
CMAP Board Chair Mayor Bennett called the meeting to order at approximately 8:05 a.m., and asked Board and MPO Policy Committee members introduce themselves.

2.0 Agenda Changes and Announcements
There were no agenda changes or announcements.

3.0 Approval of CMAP Board Meeting Minutes
A motion to approve the minutes of the CMAP Board meeting of September 12, 2018, as presented made by Rita Athas was seconded by Mayor Al Larson, and with all in favor, carried.

4.0 Approval of MPO Policy Committee Meeting Minutes
A motion to approve the minutes of the MPO Policy Committee meeting of June 14, 2018, as presented made by Mayor Jeffery Schielke was seconded by Rebekah Scheinfeld, and with all in favor, carried.

5.0 Executive Director’s Report
CMAP Executive Director Joe Szabo reported that a Local Technical Assistance (LTA) program update was included in the packet. Regarding ON TO 2050, Szabo offered background on: development (3-year process, framework, and vision); outreach (over 2 dozen strategy reports, 5 alternative future forums, engaging more than 100,000 in meetings and workshops in the 7-county area); principles (Inclusive Growth, Resilience, and Prioritized Investment); and the plan itself (870 pages, additional 1200 pages in public comment, it’s interactive and web-based). Szabo acknowledged the efforts of the entire CMAP staff (particularly Liz Schuh, the plan’s author), Board Chair Mayor Bennett, IDOT Secretary Randy Blankenhorn, the Board and MPO Policy Committee members, and the many partners that contributed to the effort.

6.0 Council of Mayors Report
On behalf of the Council of Mayors Executive Committee, Mayor Jeffrey Schielke reported that the committee had met in August, considered the proposed policies for the STP Active Program Management and the STP Shared Fund, and discussed comments and letters received from CMAP partners. The policies, Schielke continued, were adopted by the STP Project Section Committee in September. Additionally, CMAP staff presented an overview of the implementation priorities of the ON TO 2050 Plan, and Local Technical Assistance (LTA) program staff gave a presentation on the development and key recommendations of the Des Plaines Comprehensive Plan. The Council of Mayors Executive Committee meets next, Schielke concluded, on November 13, 2018.
7.0 **CMAP Committee Reports**

The Programming and Planning Committees met jointly on October 3. Vice Chair of the Programming Committee Rita Athas reported that the Committees jointly recommended approval of the ON TO 2050 Comprehensive Regional Plan to the CMAP Board. The Programming Committee also recommended approval of the ON TO 2050/FFY 2019-2024 TIP Conformity Analysis and the FFY 2019-2024 Transportation Improvement Program (TIP). Local Technical Assistance (LTA) program staff gave a presentation on the development and key recommendations of the Des Plaines Comprehensive Plan and reported that applications for a Call for Projects under the LTA program supporting ON TO 2050, are due October 26.

A written summary of the working committees and the Council of Mayors Executive Committee was distributed.

8.0 **Procurements and Contract Approvals**

Deputy Executive Director for Finance and Administration Angela Manning-Hardimon asked that the Board approve a contract for Project Management Services of Municipal Pavement Management Plans to AECOM in an amount not to exceed $194,856.00.

A motion by Carolyn Schofield, seconded by Mayor Al Larson to approve the contract award as presented, and with all in favor, carried.

9.0 **Election of MPO Policy Committee Vice Chair**

Nominating Committee Chair Mayor Jeffery Schielke reported that the nominating committee, consisting of himself (representing municipal government), Leanne Redden (representing a public transportation agency), Rebekah Scheinfeld (representing road administration), Scott Gryder (representing County government), and Frank Beal (representing the regional planning agency), unanimously recommended that John Yonan, Superintendent-Cook County Department of Transportation and Highways be appointed to the position of Vice Chair of the MPO Policy Committee for calendar year 2019. A motion by Mayor Jeffery Schielke was seconded by Rebekah Scheinfeld to approve the recommendation of the nominating committee. All in favor, the motion carried.

10.0 **Approval of the ON TO 2050 Comprehensive Regional Plan, the ON TO 2050/FFY 2019-2024 TIP Conformity Analysis, and the FFY 2019-2024 Transportation Improvement Program (TIP)**

CMAP staff Liz Schuh echoed thanks for all the work and contribution over the past 3 years and emphasized the role that CMAP staff had played in getting the plan to where it is today. Schuh reported that approval of the following are requested. Regarding the ON TO 2050/FFY 2019-2024 TIP Conformity Analysis--as was described in the Air Quality Conformity Analysis appendix--the analysis found that the air quality impacts of the regionally significant projects in ON TO 2050 and existing non-exempt or exempt tested projects included in the FFY 2014-2019 TIP that will be carried forward into the FFY 2019-2024 TIP meet all applicable requirements for conformity to the state implementation plan and applicable provisions of the Clean Air Act. Also for approval is the FFY 2019-2024 Transportation Improvement Plan (TIP) and finally, approval of the ON TO 2050
Comprehensive Regional Plan. As directed by the CMAP Board ON TO 2050 builds on GO TO 2040, and in doing so provides more specific and implementable direction and to select new areas to be bold and help the region move forward, as is seen in the inclusive growth work and adapting to emerging technology in building local capacity. Facing warning signs in the region, there are also many assets to build upon, Schuh continued, in terms of a diverse economy, well-trained work force, strong infrastructure, and a strong quality of life. The Plan, guided by the three principles of Inclusive Growth, Resilience, and Prioritized Investment, is divided into five topical chapters of Community, Mobility, Prosperity, Environment, and Governance. Seen as a first step today in approving the plan CMAP will move right into implementation efforts.

On behalf of the CMAP Board, a motion by Mayor John Noak was seconded by President Rick Reinbold to approve the ON TO 2050/FFY 2019-2024 TIP Conformity Analysis, and the FFY 2019-2024 Transportation Improvement Program (TIP), and with all in favor, the motion carried.

Mayor Terry Weppler asked to be heard and stated in part, that Lake County supports ON TO 2050, but that Route 53, a priority project in GO TO 2040, was removed from ON TO 2050. Weppler cited growth in the county, and a non-binding referendum overwhelmingly supporting the 53 extension as reasons to include the project in the plan. Weppler went on to say that if the study by the Tollway indicates the need and financial viability for the Route 53 plan, he will ask the Board to update ON TO 2050 to include those road improvements in Lake County. Executive Director of the Illinois State Toll Highway Authority, Liz Gorman assured that once the study is complete and as the region’s needs evolve, the Tollway stands ready to partner with other agencies to respond to those needs. Illinois Department of Transportation Secretary and Policy Committee Chair Randy Blankenhorn also assured that if the need and financial viability is present, it would be brought back the CMAP Board and MPO Policy Committee for action at the appropriate time.

Also on behalf of the CMAP Board, a motion by Mayor John Noak was seconded by President Rick Reinbold to approve the ON TO 2050 Comprehensive Regional Plan. A roll call vote followed.

| Bennett | Yes |
| Athas   | Yes |
| Beal    | Yes |
| Brolley | Yes |
| Coladipietro | Yes |
| Forde   | Yes |
| Larson  | Yes |
| Madigan | Yes |
| Noak    | Yes |
| Oberman | Yes |
| Reinbold | Yes |
The motion carried.

On behalf of the MPO Policy Committee, a motion by Chris Lauzen was seconded by Rich Kwasneski to approve the ON TO 2050 Comprehensive Regional Plan. A roll call vote followed.

The motion carried.

* Scott Koeppel, on behalf of Kendall County, stated that the entire Kendall County Board strongly opposes the vehicle mileage tax, that it would be an invasion of personal privacy, and that they do not believe the state would repeal the motor fuel tax if the vehicle mileage tax is implemented. Citizens have also expressed concerns to staff and the board about the loss of privacy and the burden a new tax would place on them.

The motion carried.

Policy Committee Chair Secretary Blankenhorn also thanked and congratulated CMAP Board Chair Mayor Bennett, and Board members, Executive Director Joe Szabo, and all the CMAP staff for their efforts, building on GO TO 2040, and taking the necessary next steps with ON TO 2050.

A point of order was called about whether the MPO Policy Committee had formally adopted the ON TO 2050/FFY 2019-2024 TIP Conformity Analysis and the FFY 2019-2024 Transportation Improvement Program (TIP). On behalf of the MPO Policy Committee, a motion by Rebekah Scheinfeld, was seconded by Mayor Jeffery Schielke to adopt the ON
TO 2050/FFY 2019-2024 TIP Conformity Analysis and the FFY 2019-2024 Transportation Improvement Program (TIP), and with all in favor, carried.

11.0 Other Business
There was no other business before the joint meeting of the CMAP Board and the MPO Policy Committee.

12.0 Public Comment
There were no comments from the public.

13.0 Next Meeting
The CMAP Board meets next on November 14, 2018; the MPO Policy Committee is scheduled to meet next on January 10, 2019.

14.0 Adjournment
At approximately 8:38 a.m., a motion to adjourn by Mayor Terry Weppler, seconded by Carolyn Schofield, and with all in favor, carried.

Respectfully submitted,

[Signature]

Melissa Porter, Chief of Staff

MEMORANDUM

To: CMAP Board and Committees
From: CMAP Staff
Date: November 7, 2018
Re: Local Technical Assistance (LTA) Program Update

The CMAP Board and committees receive regular updates on the projects being undertaken through the Local Technical Assistance (LTA) program, including those receiving staff assistance and consultant assistance. To date, 222 local projects have been initiated. Of these, 181 projects have been completed, and the remainder are under development.

Further detail on LTA project status can be found in the attached project status table. Projects that appear in this document for the first time, or that were recently completed, are noted and highlighted in italics.

MEMORANDUM

To: CMAP Board
From: Angela Manning-Hardimon
Deputy Executive Director, Finance and Administration
Date: November 7, 2018
Re: Contract Approval for Village of Calumet Park Comprehensive Plan

The CMAP Local Technical Assistance (LTA) program is meant to advance the implementation of ON TO 2050 by providing resources to local governments. Since the initiation of this program in 2011, CMAP has completed over 150 local planning projects, with over 30 more currently underway. Projects include comprehensive plans, corridor or subarea plans, studies of special topics such as housing or water resources, and similar planning activities. Most projects are led by CMAP staff, but some require external assistance to augment CMAP staff expertise.

Located along the north bank of the Cal-Sag Channel, the Village of Calumet Park is a community of approximately 8,000 residents. The Village is located just south of the City of Chicago, east of the City of Blue Island, and north of the Village of Riverdale. It features strong transportation assets, including two I-57 interchanges and the Ashland Station of the Metra Electric Blue Island branch. Largely made up of single-family, residential development, Calumet Park features well-preserved bungalows along walkable, gridded streets. The Village’s main commercial corridors are Ashland Avenue and 127th Street, and industrial land uses are concentrated either east of I-57 or along the Cal-Sag Channel.

The Village of Calumet Park, in partnership with CMAP, wishes to pursue the development of a Comprehensive Plan. The Village last adopted a comprehensive plan in 1989, which is no longer current. The new Comprehensive Plan will build on the Village’s recent planning projects, partnerships, and past implementation successes.

Review Process
A Request for Proposals (RFP) was sent to potential contractors and posted to the CMAP website on August 10, 2018. Staff held a non-mandatory pre-bid information session for consultants on August 15, 2018. On August 31, 2018, CMAP received proposals from three consultants: Antero Group, Muse Community and Design, and RATIO.
Proposals were reviewed by three representatives from the Village of Calumet Park and two staff members from CMAP. Calumet Park and CMAP staff scored each proposal independently by September 17, 2018. The criteria for selection included the following:

1. The demonstrated record of experience of the consultant, as well as identified staff, in providing the professional services identified in this scope of work.
2. The consultant’s approach to topical issues identified in the RFP’s Project Background and Project Description sections.
3. The consultant’s approach to preparing a Comprehensive Plan that addresses the priorities identified in the RFP’s Project Background and Project Description sections.
4. The quality and relevance of the examples of similar work and the consultant’s integration of the principles of GO TO 2040 and ON TO 2050 into the proposal.
5. Cost to CMAP, including consideration of all project costs and per-hour costs.

Table 1 shows the score of each firm that submitted a response to the RFP.

Recommendation for Contractor Selection
Following the interviews, the Selection Committee reached a consensus to recommend RATIO as the contractor for the Village of Calumet Park Comprehensive Plan. Overall, the Selection Committee felt that the team assembled by RATIO possessed an exceptional amount of experience relevant to the issues that the Calumet Park Comprehensive Plan will address. In both the proposal and interview, the RATIO team demonstrated a nuanced understanding of multiple disciplines—and of Calumet Park itself, offering an approach that was especially well-tailored to the needs of the Village. RATIO detailed a strong approach to market analysis and multimodal transportation analysis, as well as a thoughtful approach to collaborating with the pre-qualified consultant selected separately by CMAP to conduct a supplementary stormwater engineering analysis.

Consideration of Options
Firms were permitted to submit options which were not part of the base cost but that could be included at the discretion of CMAP and the Village. In addition to the core project tasks
outlined in the scope of work, RATIO proposed two additional options: Option 1, design guidelines for subareas, is priced at $5,270; the Selection Committee agreed that Option 1 should be included, because it adds important value to the Comprehensive Plan process by developing more detailed development guidance for key locations in the Village. Option 2, a Village-wide bike plan, is priced at $6,640; the Selection Committee agreed that Option 2 should also be included, because it is an important next step in the bike/ped efforts the Village has undertaken through its complete streets planning and can bolster efforts to increase use of the Ashland Metra station. It is recommended that the Board approve a contract with RATIO, including both Option 1 and Option 2, for a not-to-exceed cost of $109,900.00. Support for this project is included in the FY18 Contracts Budget.

Deputy Executive Director, Finance and Administration

Date: November 7, 2018

Re: Contract Approval for Market Analysis and Development Advisory Services

The CMAP Local Technical Assistance (LTA) program is meant to advance the implementation of ON TO 2050 by providing resources to local governments. Since the initiation of this program in 2011, CMAP has completed over 150 local planning projects, with over 30 more currently underway. Projects include comprehensive plans, corridor or subarea plans, studies of special topics such as housing or water resources, and similar planning activities.

Most projects are led by CMAP staff, but some require external assistance to augment CMAP staff expertise. One common type of assistance that is required involves market analysis, which helps to determine the economic feasibility of recommendations included in LTA plans. While CMAP has internal capacity to address many areas of market analysis, specialized professional experience is often necessary to reach a high level of confidence that LTA plan recommendations are implementable. In addition, CMAP is interested in not just producing LTA plans, but in helping communities to implement their recommendations. This requires experience in a number of areas, such as working with communities to advance development of key sites.

Therefore, CMAP is seeking assistance in market analysis and development advisory services for LTA projects that are underway or planned to begin in the near future. The assistance sought includes four different types of activities. While these are discreet, stand-alone activities, one or more of these activities may be required for a single LTA project:

1. High-level market analysis of a community or subarea (during project’s assessment of existing conditions).
2. Market analysis to inform specific plan recommendations.
3. Development of detailed implementation steps to advance plan recommendations.
4. Implementation assistance to municipalities (following completion of plan).

**Review Process**

A Request for Proposals (RFP) was sent to potential contractors and posted to the CMAP website on September 21, 2018. Staff held a non-mandatory pre-bid information session for consultants on September 26, 2018. On October 12, 2018, CMAP received proposals from three consultants: Applied Real Estate Analysis (AREA), SB Friedman Development Advisors (SB Friedman), and Valerie S. Kretchmer Associates (VSKA).

Proposals were reviewed by two staff members from CMAP. The criteria for selection included the following:

1. The demonstrated record of experience of the contractor as well as identified staff in providing the professional services identified in the Scope of Services section.
2. The contractor’s approach to preparing the types of market analysis described in the Scope of Services sections, and there process.
3. The quality and relevance of the examples of similar work.
4. The contractor’s integration of the principles of GO TO 2040 and ON TO 2050 into the proposal.
5. The reputation of the contractor based on references.
6. Cost to CMAP, including consideration of per-hour costs.

Table 1 shows the score of each firm that submitted a response to the RFP.

<td><strong>100</strong></td>
<td><strong>51.1</strong></td>
<td><strong>70.0</strong></td>
<td><strong>77.3</strong></td>
</tr>
</tbody>
</table>

**Recommendation for Contractor Selection**

Following interviews with all three teams, CMAP reviewers reached a consensus to recommend **Valerie S. Kretchmer Associates (VSKA)** as the contractor to provide market analysis and development advisory services. The team of VSKA and sub-consultant Kane, McKenna and Associates (KM) submitted a very good proposal and had a very strong interview. Although a
smaller firm, VSKA has deep experience addressing diverse issues and challenges in a very wide variety of communities throughout our region. Also, while VSKA has less experience relevant to implementation assistance, the team’s capacity in this area is strong due to the knowledge and experience possessed by sub-consultant KM.

It is recommended that the Board approve a contract with Valerie S. Kretchmer Associates to provide market analysis and development advisory services for two years with a one-year option for renewal. The option renewal year will be dependent upon performance and the level of approved funding for this purpose. The annual level of funding for each year will not exceed $75,000. The maximum of the three-year contract will not exceed $225,000.

MEMORANDUM

To: CMAP Board

From: Angela Manning-Hardimon
Deputy Executive Director, Finance and Administration

Date: November 7, 2018

Re: Contract Approval for Village of Summit Zoning Ordinance Update

The CMAP local technical assistance (LTA) program is meant to advance the implementation of ON TO 2050 by providing resources to local governments. Since the initiation of this program in 2011, CMAP has completed over 150 local planning projects, with over 30 more currently underway. Projects include comprehensive plans, corridor or subarea plans, studies of special topics such as housing or water resources, zoning and subdivision ordinance updates, and similar activities. Most projects are led by CMAP staff, but some require external assistance to augment CMAP staff expertise.

The Village of Summit, in partnership with CMAP, seeks to update the Village’s zoning ordinance as well as the Village’s zoning map. This regulatory update will guide future development and redevelopment and help support and implement the recommendations of the Village’s Comprehensive Plan, adopted in April 2015, and other planning documents.

The Village desires a zoning ordinance that reflects contemporary zoning regulations within the context of a suburb adjacent to the City of Chicago. The existing regulations served the Village well in the past; however, the new regulations must recognize the built-out nature of the Village and specifically focus on the maintenance and enhancement of the community.

Review Process
A Request for Proposals (RFP) was sent to potential contractors and posted to the CMAP website on September 11, 2018. Staff held a non-mandatory pre-bid information session for consultants on September 13, 2018. Notes pertaining to the discussion were released shortly thereafter and posted on the CMAP website. On September 28, 2018, CMAP received proposals from three consultants: Duncan Associates with Codametrics, Houseal Lavigne Associates, and Manhard Consulting (Rolf Campbell Associates).
Proposals were reviewed by the Village of Summit and CMAP staff. The Village and CMAP staff scored each proposal independently by October 3, 2018. The criteria for selection included the following:

1. The consultant’s experience and key personnel.
2. The consultant’s approach to project priorities.
3. The consultant’s approach to the project processes, including public engagement, analyzing existing conditions, and drafting the ordinance.
4. The consultant’s integration of the principles of GO TO 2040 and ON TO 2050 and the quality and relevance of sample projects.
5. Cost to CMAP, including consideration of all project costs and per-hour costs.

Table 1 shows the score of each firm that submitted a response to the RFP.

**Table 1: Scoring**

<table>

<td><strong>81.9</strong></td>
<td><strong>78.0</strong></td>
</tr>
</tbody>
</table>

**Recommendation for Contractor Selection**

Following the interviews, the selection committee reached a consensus to recommend **Duncan Associates with Codametrics** as the contractor for Summit’s update to its zoning ordinance. Although Duncan Associates did not score highest overall, Duncan’s team has decades of experience specific to preparing zoning ordinances in the Chicago region and throughout the country. Houseal Lavigne and Manhard Consulting have a wider breadth of experience in planning consulting, but less experience specifically linked to zoning ordinance updates. Duncan provides the greatest level of resources for the community at the lowest cost, which provides the greatest value for CMAP and the Village of Summit.

It is recommended that the Board approve a contract for a not-to-exceed cost of $74,465.00 with Duncan Associates with Codametrics, as the contractor for the Village of Summit Zoning Ordinance Update project. Support for this project is included in the FY16 Contracts budget and the General Fund.

**ACTION REQUESTED:** Approval

###
MEMORANDUM

To: CMAP Board and Committees
From: CMAP Staff
Date: November 7, 2018
Re: Revisions to CMAP committees following ON TO 2050 adoption

To facilitate a swift transition from development and adoption of ON TO 2050 to action, staff have taken several steps to ensure the agency is well positioned to implement the plan. One such exercise involved a review of the composition and structure of CMAP’s committees. Staff examined the history of CMAP’s committees, surveyed practices of other regional planning organizations, and compiled lessons learned from the development of the ON TO 2050 plan. Since their inception, CMAP’s committees have provided invaluable input to shape and refine the agency’s work, including ON TO 2050. Their continued engagement, strategic guidance, and support will be critical for moving forward with regional implementation.

The revisions proposed in this memorandum aim to maintain CMAP’s robust and unique system of engaging subject matter experts and local officials. The following findings and recommendations were generated through research, conversations and written feedback from CMAP staff and committee members, and consideration of ON TO 2050 principles and key implementation priorities.

**Findings and Recommendations**

**Minor changes would support alignment of working committees with plan implementation.** Because ON TO 2050 largely builds on GO TO 2040’s broad-based recommendations, most of the working committees are still well-aligned with the agency’s priorities. However, the goals of the plan’s Community chapter in particular illustrate the important intersections of development decisions and community vitality. Addressing housing and land use planning and policy together would enable more direct consideration of those deeply interrelated issues. The committee would be better positioned to consider how development decisions and housing options affect fiscal, economic, and quality of life outcomes.

**Recommendation:** Merge the Housing and Land Use Committees.
Coordination between working committees and the Board could take place in one committee. In 2006, CMAP established two coordinating committees: the Planning Committee, which was responsible for the development of GO TO 2040, and the Programming Committee, which was responsible for approving transportation investment programs and other shorter-term programming activities. In January 2011, the committees were repurposed and renamed: the Local Coordinating Committee focused on oversight of the Local Technical Assistance (LTA) program and overall relationships with counties and municipalities; the Regional Coordinating Committee focused on regional, state, and federal policy issues. In 2016, as development of ON TO 2050 accelerated, the coordinating committees were reverted to Planning and Programming.

Given the crosscutting recommendations in ON TO 2050, bifurcated committees may create an unnecessary distinction for work that addresses both local implementation and regional policy challenges. The creation of a singular coordinating committee would allow members to consider development of interconnected policy, programming, and planning projects. The single coordinating committee would continue to balance broad regional representation and topical subject-matter expertise. Committee members could include five working committee representatives (see recommendation below) and six board members, two each from the city, suburban Cook, and collar counties. The By-Laws of the Board enable the Chairman to delegate oversight of the committees to the Executive Director; doing so could support an expedient transition of membership in the start of 2019.

**Recommendation:** Establish one coordinating committee and delegate to the Executive Director responsibility to identify members for Board approval at the January meeting.

**CMAP should update working committees’ membership.** As CMAP took on additional topics through the development of ON TO 2050, the agency broadened its network. CMAP staff engaged new expert stakeholders who provided guidance in individual interviews, resource groups, and through public engagement. Going forward, the agency should leverage those new connections and bring additional expertise and voices to the committees’ work. Reviewing and updating committee memberships would ensure varied expertise in each committee to speak to relevant elements of the plan. Additionally, staff could update membership to ensure future consideration of the plan’s principles of inclusive growth, resilience, and prioritized investment. As noted above, the By-Laws of the Board enable the Chairman to delegate oversight of the committees to the Executive Director; doing so could support an expedient transition of membership in the start of 2019.

**Recommendation:** Delegate to the Executive Director responsibility to identify working committee chairs and members for Board approval at the January 2019 meeting.

**ACTION REQUESTED:** Approval
